

A close-up photograph of a green printed circuit board (PCB) with various electronic components. A yellow oval sticker is placed over a component. The board features several integrated circuits, capacitors, and connectors. Labels like 'TH-T73-DC12V-C', 'TIANHUI', and 'TH-T73-DC12V-C-S' are visible. A blue potentiometer is also present. The background is dark blue with white geometric shapes.

# CENTRAL EGB-09

P R E S E N T A C I Ó N

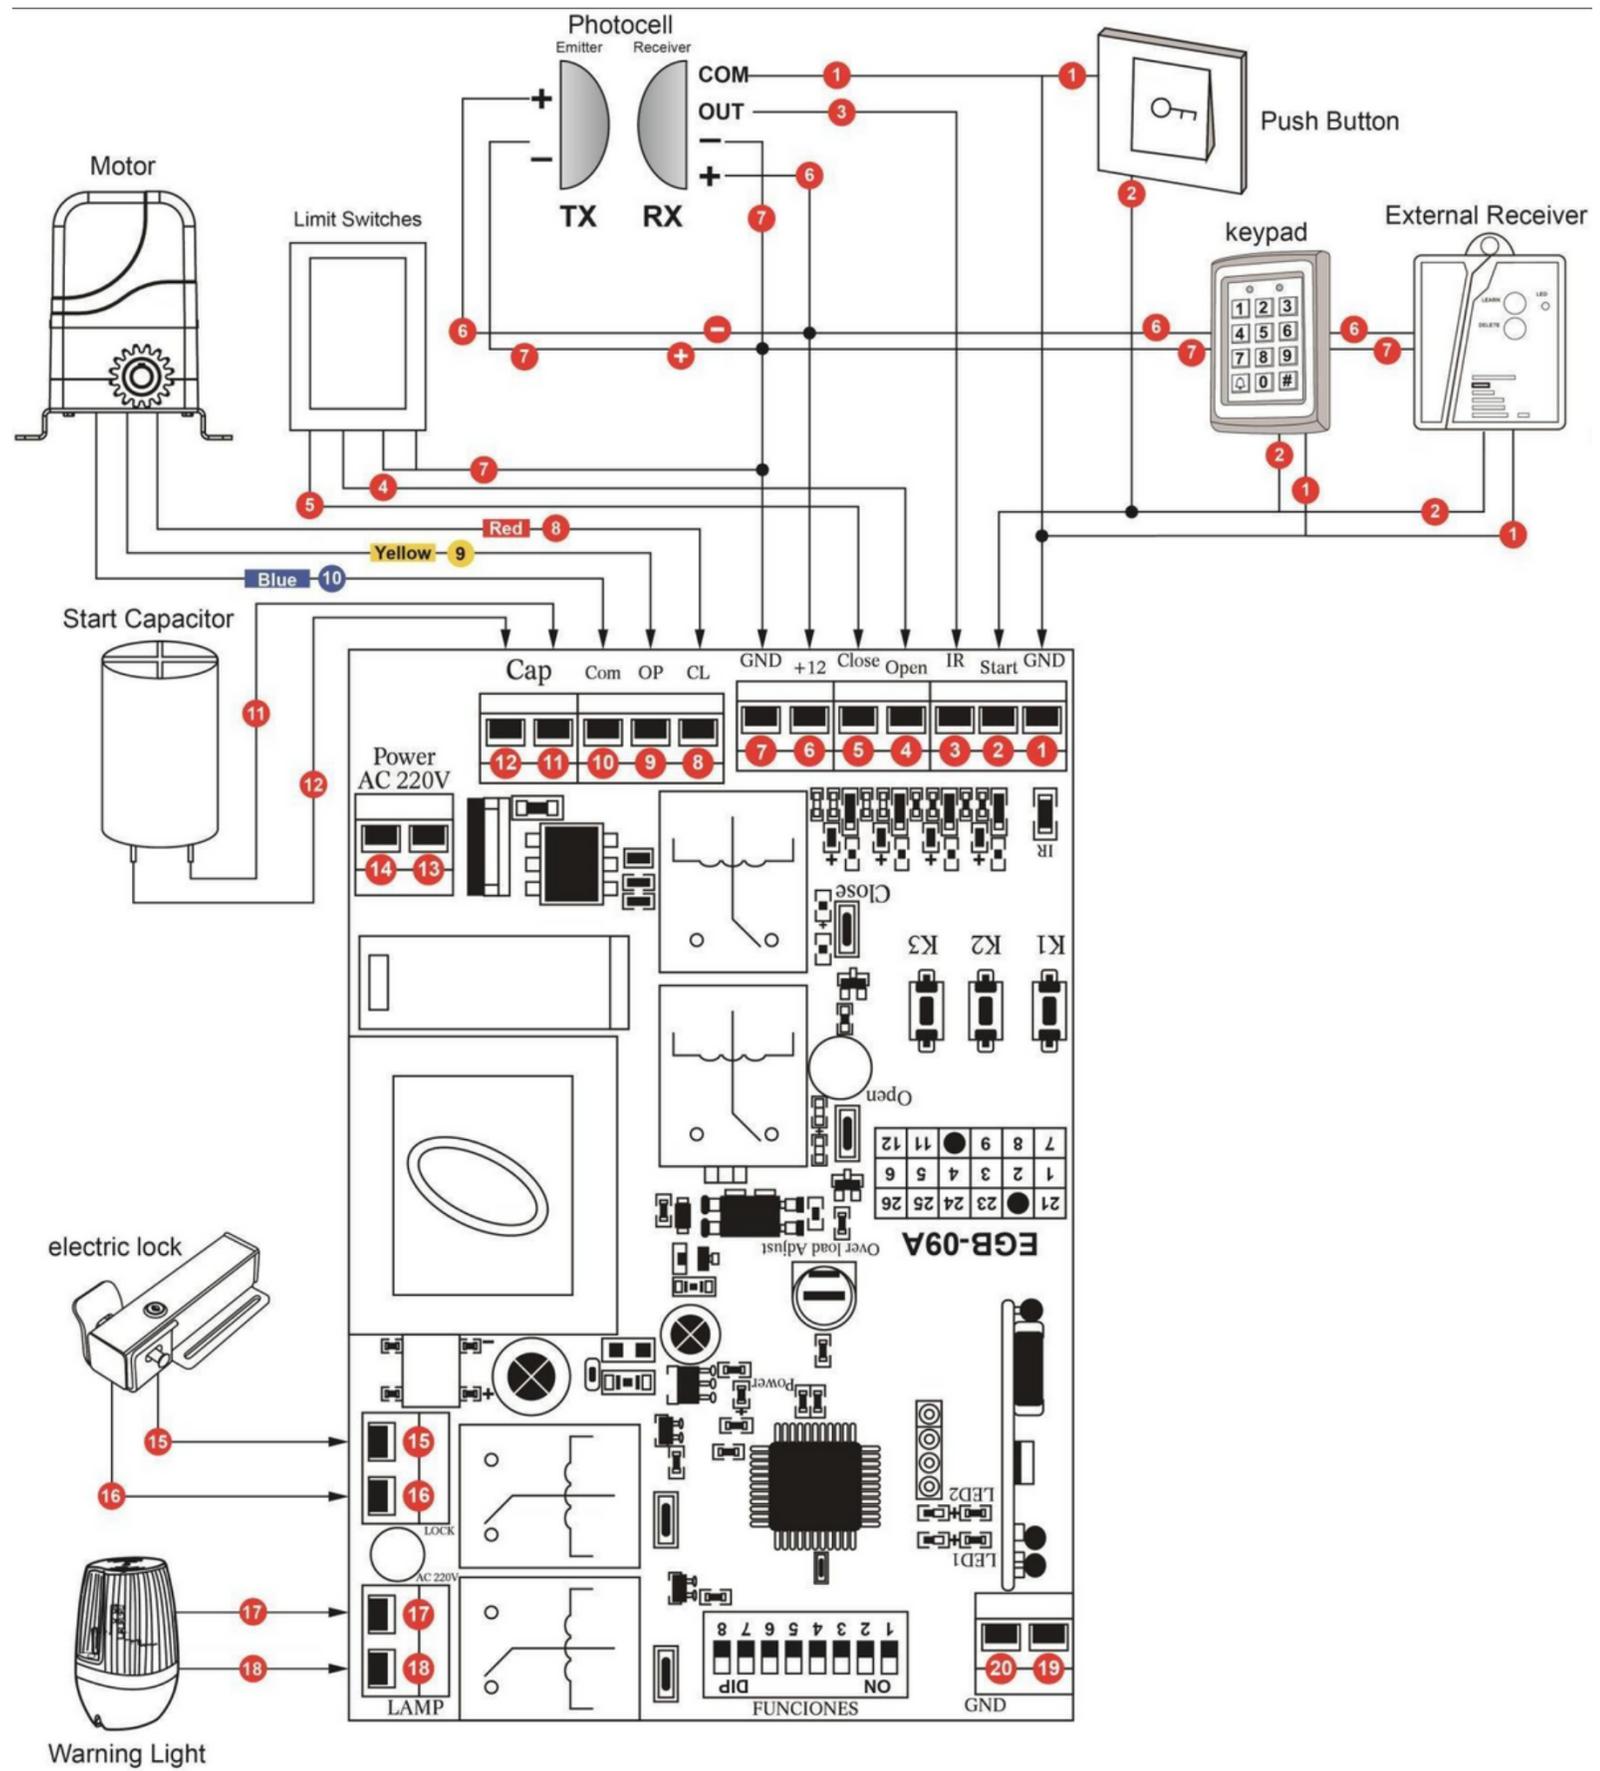

# CENTRAL PARA CORREDERAS Y BATIENTES

Central de comando para portones automaticos con salida para cerradura y baliza sin necesidad de modulos adicionales , al mejor costo beneficio, con uso de controles incopiables, seguros y de gran calidad

# CARACTERISTICAS

- 1.Voltaje de entrada : CA 220V
- 2.Mando a distancia: código rodante incopiable personalizado
- 3.Memoria para controles: máximo 100 piezas
- 4.Partida suave
- 5.Paro suave
- 6.Contacto para cerradura
- 7.Contacto para Baliza
- 8.Entrada para fotocelda NC
- 9.Finales de carrera NA o NC seleccionable
- 10.Opcion peatonal
- 11.Cierre automatico

## Conexiones
