

Hand Microphone

Light body, easy to move
 With amplifier function, clear sound quality
 Standard aviation connector interface, easy to install
 Using 3G data link to achieve intercom, reducing the cost of traditional voice calls

Technical Specifications

Microphone	
Size (mm)	φ9.7*6.5
Sensitivity	-38dB±3dB(at1kHz,0dB-1V/pa)
Frequency	20-20KHZ
Impedance	2.2KΩ 1.5V
Working Voltage	1-10V
Type	Full pointing
Wire	
Size (mm)	OD:4.5 L=3000
Resistance to temperature	-40 ~ 105°C
Material	PU
Connector	
Model	Four -core docking connector
