

Super M

The Super M is a powerful motor driven siren which emits a very high sound output. Designed for surface mounting, it has a separate mounting bracket which may be secured in position first to allow for easy installation. In addition, it comes pre-wired with 1 metre of cable.

It has a weatherproof construction when wall mounted and is suitable for continuous use.

The Super M is ideal for applications where a higher sound output is required such as in areas of high background noise.

Features

- High output siren sound (127dB)
- Separate mounting bracket for easy installation
- Long life and run time
- Weatherproof for use both indoors and outdoors

Applications - General safety warning; conveyors; process control alarm; vehicle alarm
